

PLEASE DO NOT JEOPARDIZE CREW AND PASSENGER SAFETY BY ALLOWING CELL PHONE USE IN FLIGHT. DATA TO DATE SUGGESTS CELL PHONE USEAGE POSES A RISK TO NAVIGATIONAL INSTRUMENTS. MOREOVER, THOSE WHO WOULD THREATEN AIR SAFETY COULD CERTAINLY USE CELL PHONES TO THEIR ADVANTAGE IN THIS SITUATION. FURTHERMORE FORCING PASSENGERS AND CREW TO LISTEN TO OTHERS' CELL PHONE CONVERSATIONS AT ANY AND ALL TIMES IN-FLIGHT MAY RESULT IN INCREASED TENSION ABOARD THE AIRCRAFT AND FURTHER COMPROMISE CREW AND PASSENGER SAFETY. PLEASE - SAFETY FIRST, LAST AND ALWAYS!  
THANK YOU.
